DEEP EXPERTISE. CUSTOM SOLUTIONS.

We believe deep expertise is borne from experience and iteration. Our solid foundation in one proven strategy allows us to execute on straightforward deals, as well as complex transactions that others may not be equipped to handle.

NEW SMALL CAP STRATEGY. ROOTED IN CONSISTENCY.

With the launch of the Small Cap strategy in 2017, we began providing more targeted financing solutions to lower middle market borrowers. The LBC approach to underwriting and working in partnership with borrowers remains unchanged.

BROAD FOCUS. VAST OPPORTUNITY.

We work with funded sponsors, independent sponsors and companies in a variety of industries, evidencing the breadth as well as depth of our expertise. We seek opportunities to support buyouts, recapitalizations and growth investments.
